Withdraw this Confidential - tell the public that at
my request - he will not -

Thant To exercise restraint - not to create difficulties.
My second appeal to Your Excellency.

Castro -

Thant - long term - not only short term - will be one of my
recommendations to the S. Council to be considered. or one
of my points US protest inevitable. Note in S Council,

Castro Without 5 points, there will be no long-term ^{definitive} solution
Difficult - coming too without these points - no
definite solution.

Honest means for definite solution

Will not accept any solution that means states pro-
mote Sovieting interests of Cuba.

easy dig for anyone for Cuba see other situation —
Cuba has police report on government & international law &
the rights of the people.

Frank I could mention them? any suggestion?

Am. Any time you want. Wednesday 7:30 I could

Thurs. U.S. elections — given policy to some extent now;
deliberate find the same view.

Friday That kind of a thing. I think we are in a hurry to know

Sun Impossible to learn anything here

Cuban people will think important. That's why Cuba
will have a revolution. The situation will be in a way
to high level in relation to the people.

It's hard to control once it starts.

Thurs I can't see it. I will have back with all my people.

Prm.

Will be careful - delicate - over concentration.
if possible - the worst solution - small countries
very jealous of power - any candidate is not
prepared - Little countries look into great nations
and pretend - depending the result of a lot of small
countries in the world - in the battle line of the
fight. Once in full center will fall.

Thurs
Prm
Prm

I defended this a P.R. of Panama
C.P.P. talk of aggression against (under suspicion)
high officials and they will invade again
and immediate problem solved. Therefore 7 points have
the interest.

Thurs
Prm

Centagon is very powerful.
Pentagon is more powerful than any other in the world.
